

A few years ago,
when I first
arrived in the US.

⑬

今天是我最后一次来画室了
(Today might be my last time coming to the art studio)

☆: 我跟你说过吧。再过两周,我又要去美国了。
H.E.? (what?)

(I told you, right? In 2 weeks, I'm going to the U.S. again)

⑭

I will miss this place...

And these works...

⑮

And especially...

⑯

How does someone even paint like this ...

喜欢就拿走
(Take it with you if you like it that much.)

⑰

Didn't they say he's not coming today?

抽烟吗? (want cigs?)

??!

⑱

我去厕所抽根烟。
Wait, this painting is mine now?

I don't smoke...

⑲

We left the studio after a while -

Want cigs?

Didn't I just tell you I don't smoke?

⑳

...我大多数朋友都抽烟。
(...Most of my friends smoke.)

㉒

...Is that why you always ask me if I want cigarettes?

㉓

...

The End
